

Time to say goodbye

Nina

Just the other day I said hello to you.
Now it seems like time has passed us by.
I wish there was a treasure I could show to you
To make our love come back and never die.

Chorus:

Now it's time to say goodbye
I don't know why
Things happen as they do w/ only you
Now I think I'm gonna cry
But at least I know we try
Oh baby it's time to say goodbye.
Goodbye to all the things we hold so dear to us.
Goodbye to all the things we used to do.
Goodbye to everybody far and near to us
But that won't ever stop me from loving you.

Now it's time to say goodbye
I don't know why
Things happen as they do w/ only you
Wish I didn't have to go
But deep inside I know
That baby it's time to say goodbye.

It's time to say goodbye
It's time to say goodbye

Time to say goodbye

Time to say goodbye

Goodbye! goodbye!

Now it's time to say goodbye

I don't know why
Things happen as they do w/ only you
Wish I didn't have to go
But deep inside I know
That baby it's time to say goodbye.

It's time to say goodbye

It's time to say goodbye

Time to say goodbye

It's time to say goodbye to all the things we used to do now

It's time to say goodbye to all the family and friends

It's time to say goodbye to all the friends we used to see now

Even though I know that this is really not the end

Time to say goodbye

Time to say goodbye

Time to say goodbye

Goodbye
