Straight cash money no spends in the bank  
Still fly First Class like I'm sending a stamp  
5 star general remember the rank  
[?] guns in the car like we rented a tank  
I ain't every smokin a hater  
Origami, just folding the paper  
Make dough, say hello to the baker  
Burn bread, yeah I'm toasting it later  
Been spending it lately  
Mad money so I'm spending it crazy  
You talk money? Cause I mention it daily  
Money so strong that its benching the 80s  
Watch glowing with the ring  
I'm chasing the money like it's blowing in the wind  
Cause I remember daydreaming of Porsches  
Now call us the Gunners got a team full of ballers
