

Don't Change

Nines

Change, don't change (Don't change)
I want you just the way you are (Just the way you...)
Don't ever change
Honey, I'm begging you (Please stay)
Won't you please...

Yeah, uh, yeah (Don't ever change)
If you my shorty, you my shorty till the end, no switchin' lanes, uh
(Make sure you don't ever change)
See from them bandos to them planes, they down, you do the same dawg, yeah (Don't ever change)
'Cause if another one of my shorties play that game, I'll go insane dawg (Make sure you don't ever change)
You know I love you just the way you are (Uh)

She wanna dress to the nine and sex all the time
She wanna brag that I'm her man, tag me on the 'gram
She wanna get on my nerves better than Spurs
She wanna get rude on the phone, spoon when I'm home
She want a couple racks so she can spend it on shoes
She wanna pick up her ratchet friends in my Porsche
She wanna check all my texts, threaten my ex's
She wants bags from Chanel, she wanna travel the world
She wanna lock me down, she wanna boss me around
She wanna play-fight with me on a late night
She wanna type my name and act insane, uh
She wanna ignore me but she watchin' my stories
She like "I know you're a rapper but when do you rap?
And you never use a card, always spendin' these stacks" (Don't worry 'bout it)
How could somethin' so good be so bad for me?
She love me then the next minute, she mad at me
