

## Gave It All

Nines

I gave it all to you, with no questions asked  
I wanted a future, who cares about the past  
I gave it all to you, with no questions asked  
I wanted a future, who cares about the past

I'm gettin money now these bitches wanna holla  
I'm in the tents talkin to the crops like Little Shop of Horror  
My shows the modern-day J Dilla  
I bring this 5 out of 10 and made her head batter like a pancake  
It's just another day on the strip  
Kids askin after changin my whip  
Or I'm weighin up bricks  
Then it's back to the [?]  
Take a trip, Paris  
No luggage with me in Wonderland like that chick Alice  
The strip's hot, I need to cool off  
My game's tight I could probably screw police [?] with all my jewels off  
Droppin off these packages at Rudolf  
Probably whip the strally on the crowd if I ever get boo'd off  
Million views, out like act like a famous then  
I'm [?], the niggas keep crackin the anus  
I got kicked out of school than before you  
I bought a Q then gave it all to you

I gave it all to you, with no questions asked  
I wanted a future, who cares about the past

I wanted a future, who cares about the past

I told them steads just come over  
Play PS4 with Kilo and Omar  
[?] on the sofa  
I don't care 'bout you groupies, I finish in 8 minutes  
All these bricks in the T I could bill an estate with it  
All the hype the dough brings  
I want a life with no sins  
I wasn't always a fly guy, had to grow wings  
It's hard to write bars with all this damn stress  
All these feds in my hood  
It's like when it's 5 stars in Grand Theft  
When we're in the dance better hide your goods  
Them hoes squint  
They with my chain swing in the club like Tiger Wood  
It's crazy [?]  
Cuh I don't wanna end up back in jail use a razor for a shank  
Plus I ain't got no papers in the bank  
Can't go back to sharing needles like Lady and the Tramp  
Got kicked out of school then I bought a Q  
Been [?] since I gave it all to you

I gave it all to you, with no questions asked  
I wanted a future, who cares about the past
