Nines

Fully active with general nina (Joker smoker)
After some joker smoker (Joker smoker)
They're gonna bring the bush weed, brother
Yeah that
They're gonna bring the likkle dibby-dibby weed 'round, man
Yeah that, bad man

No weed, but he smokes
'Cause him a joker smoker
Always asking for couple tokes
Joker smoker
When he hits it, he chokes
'Cause him a joker smoker
If you don't smoke it down to the roach
Then you're a joker smoker

Uh, smoking weed is a habit and certain man can't afford it
Every time I light a paper plane up, this nigga's tryna board it (Can't catch this flight, my guy)
He's always begging for a favour
Smokes all my weed, he ain't ever got no flavours
He gets higher than Sizzla
But you won't catch him buyin' no Rizla (Cigarette)
Now he's putting fag in my grinder
Talking 'bout, "Can I get a lighter?"
It's been like six months
And I ain't seen him with a spliff once (Never)
And after he steals all your liquor
He's probably gonna steal your clipper

No weed, but he smokes
'Cause him a joker smoker
Always asking for couple tokes
Joker smoker
When he hits it, he chokes
'Cause him a joker smoker
If you don't smoke it down to the roach
Then you're a joker smoker

DIY boy, do it for yourself
What you smoking on, Narstie? Bro, I'm smoking on myself
You'll end up no help, no feelings get felt
If it's not loud, it's not going on my shelf
Swimming in RSO like I'm Michael Phelps
Moon Rock sitting on some Rainbow Belts
So loud, feeling like my brain gon' melt
Looked at the zaggas like, "Blud, I need help"
Smoke grabbed my neck with tickles
Now your bredrin's got giggles
Code red, need lots of chocolates and Skittles
Doughnut ting, straight missile
BDL smoke is official
Man's about to whitey, ref, blow the whistle
He's gonna flake, he's gonna flake, he's out of here

No weed, but he smokes
'Cause him a joker smoker

Always asking for couple tokes
Joker smoker
When he hits it, he chokes
'Cause him a joker smoker
If you don't smoke it down to the roach
Then you're a joker smoker
