

# The Maze

Nines

It's gettin' dark  
It's hard to breathe  
I try to watch  
But I just can't see  
Where I'm goin'  
And where I could be  
Can't make this sight of this

I don't wanna go  
I don't wanna stay  
I really wanna leave  
But I'm so afraid  
Even though it's hard  
I can't back goin' on

I can't seem to find my way out this maze  
I know this place and  
I can't seem to find my way out this maze  
I know this place and  
I can't see to find my way out the dark  
It shouldn't be this hard and  
I don't know if I'll ever find my way  
I don't know if I'll ever find my way

You niggas see da way da wrists be lookin  
Dat's courtesy of all dem bricks we cookin  
Tomorrow ain't promised  
These shoes danced on my feet. Once upon a time. Walked around da rainforest  
My old grind, I had no line  
Posted on da corner like a road sign  
Young with a old mind  
Now I supply yay  
I'm gonna have so much whips, it's gonna look like traffic on my driveway  
Da trapstars feel my bars  
Let da ting go. Then I'm gone in 60 seconds like I'm stealing cars  
Screaming "3 Fundz!"  
Free funds and hoes and in a week, I'll probably mack 10 like a machine gun  
Switch hoes every week. I'm never with the same whore  
And I don't brag to dem hoes. Dat's what my chain's for  
Used to wear Nike, now I roll through in AJ  
Hoes tryna set me up like Goku on snake way

I can't seem to find my way out this maze  
I know this place and  
I can't seem to find my way out this maze  
I know this place and  
I can't see to find my way out the dark  
It shouldn't be this hard and  
I don't know if I'll ever find my way  
I don't know if I'll ever find my way

60 grand on the jewels  
So I carry dem tools  
Push whips from Germany. Wear Italian shoes  
Punchline Nines  
Rhyming spectacular  
Diamonds from Africa

Icy like Canada  
Ice City Boyz  
My whole team getting rich  
Talkin to da cats like Sabrina The Witch  
I used to sit on da bench like a substitute  
Wouldn't go home until I hit one more shoot  
Random niggas tryna ask me what a brick cost  
My clique floss  
My dick been through every color lipgloss  
Every time I get nicked my mum and dad stress  
Member when I dropped da price when I had cess  
Make dem pounds go: liposuction  
If I weren't around, ion know how these guys would function  
I wish shit was like back in da days  
Gone too far to turn back. I'm trapped in a maze

I can't seem to find my way out this maze  
I know this place and  
I can't seem to find my way out this maze  
I know this place and  
I can't see to find my way out the dark  
It shouldn't be this hard and  
I don't know if I'll ever find my way  
I don't know if I'll ever find my way

Team da clique I know you wish you could join  
Da nina will leave heads on da floor, but I ain't flippin a coin  
Uh. I had hoes when I was broke. I don't need a necklace  
My phone wakes me up. Smoke a bit of weed for breakfast  
Then get real fly  
I gave a fiend a samps last night. He just called me sayin dat he's still hi  
gh  
I pull out, empty da weapon  
Have your block break dancing like Eddy from Tekken  
Walkin round with 10 karats in my ear  
Fuck a "mixtape award" cause I was "Trapper of Da Year."  
So don't call my phone if you ain't talkin money  
Yg's see dem hoes leave my base walkin funny  
I wasn't handing out my mixtape  
Promotin cheese birds fly for six-eight  
Still shining like dem stars in da sky  
Ahead of my time; Marty McFly

I can't seem to find my way out this maze  
I know this place and  
I can't seem to find my way out this maze  
I know this place and  
I can't see to find my way out the dark  
It shouldn't be this hard and  
I don't know if I'll ever find my way  
I don't know if I'll ever find my way
