Ninja Sex Party

Well... that's the end of our album.
You can open your eyes now.
Wasn't I fantastic?
Ninja Brian, you did a pretty OK job, too.
I'm particularly impressed by the way you're simultaneously pla
ying piano, pan flute, maracas and a gong next to me right now.
It almost makes me regret calling you fat, stupid, ugly and say
ing that you have an STD during the course of this album.
Even though all of those things are true.

I... I mean not true.
I guess, in the end, the only thing that really matters is that
 we're friends.
Am I right?
Am I- Am I right, Ninja Brian?
Cool.
Dipshit.
