

## Question #1

Nipsey Hussle

What they call you where you from, nigga?  
Looking like the legend I become, nigga  
I can't help but feeling like I am the one, nigga  
What they call you where you from, nigga?  
What they call you where you from, nigga?  
What they call you where you from, nigga?  
I can't help but feeling like I am the one, nigga

I'm a run away, bus, catch it  
Blue line train, riding west side with the young actress  
These old rules came with no questions  
We only live bomb but it's no exceptions  
Was young and reckless with all the weapons  
The code of ethics lead to self destruction  
When it's over, you left with nothing  
This life ain't it boy, better check the subtext  
Or the fine print, felt entitled to this fly shit  
Felt like every bad bitch should be on my dick  
Felt like niggas lying to us on some frost shit  
Fuck it, that's just how the ball bounce on some boss shit  
Right here with all my brothers, on some squad shit  
All money, one nation under God shit  
Neighbourhood, Nipsey Hussle, on some boss shit  
AKA nigga broke, born broke, gotta die rich

What they call you where you from, nigga?  
In my city, I was question number 1, nigga  
Looking like the legend I become, nigga  
I can't help but feeling like I am the one, nigga  
What they call you where you from, nigga?  
What they call you where you from, nigga?  
What they call you where you from, nigga?  
I can't help but feeling like I am the one, nigga

A nigga had the nerve to walk up on me ask me where I'm from  
I told him I ain't bang, didn't listen so I gave you one  
Not the cididy one, nigga try to hit him up  
Now you only get him up, set it up and wet it up  
Nub from the hood, checking niggas on the daily  
Started off BG, OG, baby  
Real life homie, two heaters in my seat  
Had to check a nigga at the Compton Swap Meet  
Where you from? I don't bang  
Where you live? Where you hang?  
Say the wrong thing, get banged  
Lights out, kites out to the homies in the pen  
Creeping in the city, we ain't let the cause in  
A lot of niggas camouflage, try to blend in to fit in  
Get a hood rat so they set in  
But if she got a brother, a daddy, or a cousin  
They hit your ass up like motherfuckers, where you from cuh?

What they call you where you from, nigga?  
In my city, I was question number 1, nigga  
Looking like the legend I become, nigga  
I can't help but feeling like I am the one, nigga  
What they call you where you from, nigga?

What they call you where you from, nigga?  
What they call you where you from, nigga?  
I can't help but feeling like I am the one, nigga
