

# Stay Loyal

Nipsey Hussle

Me and my niggas stay, stay loyal, loyal  
Me and my niggas stay, stay loyal, loyal  
Me and my niggas stay, stay loyal, loyal  
Me and my niggas stay, stay loyal, loyal  
Me and my niggas stay, stay loyal, loyal

And I do not fuck with fake niggas so miss me with that snake  
But I know pro 3 chrome versace whips is how I'm skating  
Pistol on my lap, niggas making threats  
Me I'm tryna ball, niggas wishing death  
Probably all just talking, probably idle threats  
I seen this shit happen I can't take this shit for less  
Smoking as I drive, watching for the people  
All I know is eat while in these streets don't let them eat you  
This for all my dogs, this for all my locs  
Fucking with that fuck around, fuck around and get smoked  
One time for my killas, go hard bitches  
Worldwide bosses, young real niggas  
Had to make it happen, plus I gave my word  
Started out the trunk now I'm on the curb  
Trapping 'round the world, lessons that we learned  
Blessings we deserved cause niggas kept it firm

All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)  
All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)  
All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)  
All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)

All I know is banging, all I know is rap  
Got put on the hood then I went and bought a strap  
Couldn't understand the stack so I put it on my lap  
Slauson Boy tat, put it on my back  
Had to flip some money I put it on a sack  
Invested in my music finally put it in this rap  
Started with my niggas so I put my heart in it  
Never switch real, still here with who I started with  
Loyalty respect against betrayal and dishonor  
So when a real nigga stands it killavates you when you spotted  
Don't get me cause I got it, really cause I'm bout it  
This one's for my niggas sippin Remy in the projects  
Look how far we came without a record deal  
All Money In now you niggas know the drill  
Lessons that we learn, just from standing firm  
Blessings that we earned we got what we deserved

Yo you can look up and thats when at the highest level of business  
That's they model, equity  
You know what I mean?  
At the highest level of business there's mailbox money  
They gon' give the masses the checks

That's what they gon' do  
A percent of what you gon' make  
They gon' cash that check on the back of them  
It's like hip hop is so much inspired and you know  
Respect and honor to us, you know what I'm saying that  
It's just, it's hip hop that's doing this much  
You know what I'm saying that, it's just you know  
Play the game have, you know the pros playing  
And you switch them out for, you know what I'm saying  
What's the intention what's cool, whats braggin rights?  
What's them braggin rights gonna be  
That's what the braggin right is it used to be  
I used to be the Mexican success  
But to me it's like, you know, what would you want?  
You want something what's your position?  
Can you make shit move?  
Can you have power? Can you have true power?  
Then you have control of your desitiny

All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)  
All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)  
All my niggas (All my niggas) stay, stay loyal, loyal (All my niggas)
