Everywhere we go, people know who we are  
We bang, and we ball  
And we bang, and we ball  
Lil mama wanna roll with some riders  
I can't be your provider  
(We bang, and we ball)  
Just wanna be somethin' beside ya  
(And we bang, and we ball)  
And maybe have a one-nighter  
Lil mama wanna roll with some riders  
I can't be your provider  
(We bang, and we ball)  
Just wanna be somethin' beside ya  
(And we bang, and we ball)  
And maybe have a one-nighter

It's the K-I-two L's, A-R, hood star  
Kill 'em in the front then bury 'em in the backyard  
Chrome gleamin' on the car, bangin', I show raw  
I'm in the buildin', H and R, young black millionar'  
Ghetto but a famous star, Perignon to calamari  
Haze, dumped a Shalamar and Chardonnay going hard  
You're billy ain't nothin' without a Phantom or a Maybach  
So tell the bartender, we need bottle service ASAP

Now it's the NH, two O's, D-S-T-H  
No info from them CRASH cops and DA's  
Gold chain swang, I just swag off the Cliquot  
And every day we ballin', pop bottles on the weekdays  
Fuck all that he say, she say, we paid  
All Money In No Money Out, that's what we say  
These fake niggas' worse fear was my release date  
I hope they gettin' money 'cause I'm spinnin' like the DJ
