

## Drain you

Nirvana

### A5 C#5 F#5 B5

One baby to another says  
I'm lucky to have met you (dist)  
I don't care what you think unless  
It is about me  
It is now my duty to completely drain you  
A travel through a tube and end up in your infection

### A5 G5 F#5

Chew your meat for you

### A5 F#5

Pass it back and forth  
In a passionate kiss  
From my mouth to yours

### E5 D5 C#5

'cause I like you

With eyes so dilated  
I've become your pupil  
You've taught me everything  
Without a poison apple  
The water is so yellow  
I'm a healthy student  
Indebted and so grateful  
Vacuum out the fluids

Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
'cause I like you  
You (5x)

### A5 C#5 F#5 B5 (2x)

One baby to another says  
I'm lucky to have met you  
I don't care what you think unless  
It is about me  
It is now my duty to completely drain you  
A travel through a tube and end up in your infection

Chew your meat for you, Pass it back and forth  
In a passionate kiss, From my mouth to yours  
Sloppy it lips to lips, You're my vitamins  
'cause I'm like you
