

Rainfall

Nitin Sawhney

I'd like to know what's going on
In this world we're living on
So much poverty
All around me
This insanity
That surrounds me

It is the world, seems so far away
People's lives, changing everyday
Oh no... I can hear the rainfall

I'd like to know when you and I
Will stop walking and passing by
So much ignorance
That my eyes see
My experience
Cannot blind me

It is the world, seems so far from here
Seasons change, and the rain is near
Oh no... I can hear the rainfall

Oooh... Yehh....

I'd like to find a new reality
Something more than this fantasy
No more false dreams
No more mind games
I can't even see
Through this dark rain

It is the world, seems so far away
People lives, changing everyday
Ey Oh... I can hear the rainfall
