

Sunset

Nitin Sawhney

If I were never to leave you
If I were always alone
If I would never to see you
If I could set the sun
If I could set the sun

Keep moving
Keep changing
Keep flowing in the sun
Lovers rise
Oceans rise
People rise in the sun

If I were never to leave you
If I were always alone
If I would never to see you
If I could set the sun
If I could set the sun

Tears falling
Right falling
Leaves a falling in the sun
Lives drifting
Seas drifting
Worlds drifting with the sun

If I were never to leave you
If I were always alone
If I were never to receive you
If I could set with the sun

If i
Never to leave here
If i
Always alone
If i

(if I)
Oceans rise
Vapors rise
(if I)
People rise
With the sun
Oceans rise
(if I)
Vapors rise
People rise
With the sun
