

Freight Train

Nitro

They tell me what to do, they tell me what to say
They try to tell me how to live my life
Each and everyday, they're walkin' over me
Gotta let go, gotta set me free

They don't care, (what's wrong or what's right) or what's fair

(Watch out world) ready or not
I'm like a freight train
Full speed ahead I'll see you at the top (top)

I'm like a freight train
I'm like a freight train comin' (2x)

(Watch out world) ready or not
I'm like a freight train
Full speed ahead I'll see you at the top (top)

They tell me what is wrong, they tell me what is right
They turn around the truth, then tell me not to lie
Never turnin' back I'm goin' for it all or nothin'
I won't ever fall

They don't care, (what's wrong or what's right) or what's fair

(Watch out world) ready or not
I'm like a freight train
Full speed ahead I'll see you at the top (top)

I'm like a freight train
I'm like a freight train comin' (4x)

I'm like a freight train
I'm like a freight train comin' (4x)

(Watch out world) ready or not
I'm like a freight train
Full speed ahead I'll see you at the top (top)

I'm like a freight train
I'm like a freight train comin' (4x)

Freight train comin'
Freight train comin'
