

## All I Want

Nits

Gimme some time (sometimes I'm so afraid)  
Gimme some love (that nobody loves me)  
Gimme some hope (I hope it's not true)  
Gimme some love (that's not what I want)

All I want (all I want)  
Shadow on a street (is my shadow on a street)  
Fire on a mountain (fire on a mountain)  
Child in my head (child in my head)

Gimme some light (sunlight in the morning)  
Gimme some rain (hole in my shoes)  
Gimme some blues (I'm standing on a crossroad)  
Gimme some money (that's not what I want)

All I want (all I want)  
Shadow on a street (is my shadow on a street)  
Fire on a mountain (fire on a mountain)  
Child in my head (child in my head)  
All I want (all I want)
