## Nits

I went back to the Netherlands  
I saw the Fountain Man  
In his hands ice was water  
Water a cloud  
This is how the sea is kept out  
Why some bodies sink  
And why others float  
Said the Fountain Man

He not only changed his shape  
He didn't remain within any volume  
While standing before my eyes  
He was a cloud, water and ice  
Why some bodies sink  
And why others float

He's the man who thought  
He was a fountain  
F-F-F-F-F-Fountain Man  
F-F-F-F-F

When we walked through Fountain Land  
I saw the Birdhouse once again  
The Mouth Orange said: 'Ah, burn me now  
I want to be your Desert Lamp'  
Why some bodies sink  
Why others float

He's the man who thought  
He was a fountain  
F-F-F-F-F-Fountain Man  
F-F-F-F-F  
F-F-F-F-F-Fountain Man
