

Louder & Louder

Nits

Louder and louder, you keep crying louder
No one can hear you
Higher and higher, you keep flying higher
No one can see you
Lower and lower, you keep falling lower
And no one will be there to help you
Louder and louder
No one can hear you
(No one can hear you)

Higher and higher, you keep flying higher
No one can reach you
Lower and lower, you keep sinking lower
No one will catch you
Louder and louder, you keep crying louder
No one will be there to help you
Louder and louder
No one can hear you
(No one can hear you)

Louder and louder, you keep crying louder
No one can hear you
Higher and higher, you keep flying higher
No one can see you
Lower and lower, you keep falling lower
No one will be there to help you
Louder and louder
No one can hear you (you)

You cry louder and louder
No one can hear you

Lover and lover
I keep thinking of her

Lover and lover
Keep thinking of her
