

## Man-friday

Nits

Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday

It wasn't there before  
What is he doing here  
The only to survive  
The island saved my life

Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday

What is he doing here  
A stranger in my land  
What brought him here today  
The weekend close at hand  
I gotta find my man  
I kill him if I can

Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday

A footprint in the sand  
It wasn't there before  
A stranger in my land  
What did he come here for

Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday  
Man-Friday
