

Man-friday

Nits

Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday

It wasn't there before
What is he doing here
The only to survive
The island saved my life

Man-Friday
Man-Friday
Man-Friday
Man-Friday

What is he doing here
A stranger in my land
What brought him here today
The weekend close at hand
I gotta find my man
I kill him if I can

Man-Friday
Man-Friday
Man-Friday
Man-Friday

A footprint in the sand
It wasn't there before
A stranger in my land
What did he come here for

Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
Man-Friday
