

# Rainfallagain

Nits

Sometime in a nameless place  
She told me about her childhood days  
Trust me what I have to say  
I say it in the morning  
Leave at the end of the day

I never was a child  
Who played outside to hide and seek  
I was the one to hide  
No, I never was this happy child

Rainfallagain, niagallafniar rain  
Rainfallagain, fall again, fall again  
Fall again, rain

Don't misunderstand me  
I love my life and my heart beats strong

I will never be a mother like my mother  
I'm another, can't you see  
That this life in the lowlands  
Means nothing, nothing to me

Rainfallagain, niagallafniar rain  
Rainfallagain, fall again, fall again  
Fall again, rain  
Rainfallagain, niagallafniar rain  
Rainfallagain, fall again, fall again  
Fall again, rain

No, I never was a child  
Who played outside to hide and seek  
I was the one to hide
