Give me your number

And I'll give you a call

I am a dreamer and I know I can fall

Oh baby, baby, listen when you're alone

(45623-6278-16109-11555)

Give me your number

And I'll give you a call

I am a dreamer and I know I can fall

Oh baby, baby, listen when you're alone

Beep beep

Telephone, telephone, beep beep, telephone, beep beep

I saw your number in a telephone book

I tried to call you but it's off the hook

Oh baby, when I'm so far away

I tried to call you from the USA

Give me your number

And I'll give you a call

I am a dreamer and I know I can fall

Oh baby, baby, listen when you're alone

Beep beep

Telephone, telephone, telephone, telephone

Give me your number

And I'll give you a call

I am a dreamer and I know I can fall

Oh baby, baby, listen when you're alone

Beep beep

Telephone, telephone, telephone
