

The Long Song

Nits

I start each day
Thinking about it
We know by now
There's no love without it

Why is it taking so long
Till late in the evening
Did I just wake up again
Or was I not sleeping

And hold me
Hold me
Hold me
Till time has come
Hold me
Hold me
And hold me
When it's done

So hold me
Hold me
Hold me
Till time has come
And hold me
Hold me
Hold me
When it's done
