

The Twins

Nits

Someone was playing a Walker Brothers song
When a ricocheting bullet hit the jukebox
'The Sun Ain't Gonna Shine' was stuck in its track
Anymore... anymore... anymore... anymore... (and back)

Mother Violet, Jack "the Hat", "Cannonball" Lee
They're all dead
But I'm still living
Brother Ronnie, George Cornell, Richard Hart
They all fell
But I'm still standing

The sun goes down in the park
Soon it will be cold and dark around me
Those were the best years of our lives
We were ruling the town
Let's go down to 'El Morocco'

Reggie Kray will fade away

In our Sunday's best
East End - Wild West
The gang wars and the drinks at the 'Blind Beggar'
Under the scrutiny of Nipper
A peer on the realm unlocks his zipper

Reggie Kray will die today
Reggie Kray

Someone was playing a Walker Brothers song
When a ricocheting bullet hit the jukebox
'The Sun Ain't Gonna Shine' was stuck in its track
Anymore... anymore... anymore... anymore... (and back)

Anymore
Anymore
Anymore
Anymore
Anymore
Anymore
Anymore
