

# Ting

Nits

I am waiting  
At the bus stop  
Ting Ting  
With my girlfriend  
She is pregnant  
Like a raindrop  
Ting Ting  
And the donkey  
And the bull  
Are standing next to me  
Ting Ting  
Here comes the rain  
Ting Ting  
Here comes the rain

I am walking  
With the blind man  
Ting Ting  
I am talking  
To the deaf man  
Ting Ting  
Here comes the rain  
Here comes the bicycle  
Here comes the girl  
here comes the child  
Ting Ting  
Ting Ting  
(Ting Ting)

Here comes the rain  
Here comes the bicycle  
Here comes the girl  
here comes the child  
Ting Ting  
Ting Ting
