

Kiss Kiss Bang Bang

Nitzer Ebb

you come around my door
i've heard it all before
you come around and then you go
bang bang
don't make a sound and then you go
bang bang
break down my door and then you go
bang bang
drop to the floor and then you go
bang bang

kiss kiss
bang bang (4x)

there's always something behind
you think i'm deaf dumb and blind
a loving word and then you go
bang bang
a whisper heard and then you go
bang bang
a sweet caress and then you go
bang bang
get me undressed and then you go
bang bang

kiss kiss
bang bang (4x)

kiss kiss kiss kiss
bang bang (8x)

you come around my door
i've heard it all before
you come around and then you
don't make a sound and then you
break down my door and then you
drop to the floor and then you

kiss kiss
bang bang (4x)

kiss kiss kiss kiss
bang bang (8x)
