

Shame

Nitzer Ebb

your words echo
your mouth mirrors
your smile's within
within your look
within your smile
within your look
within your smile
within your look
take it back
take it back
take it back, you can't
take it back, you can't
take it back, you can't
when you smile, you can't
when you smile, you can't
take it back, you can't
when you smile, you can't
take it back
shame shame shame shame
shame shame don't come back
you're back, you're back
who knows, you're back
to care, who knows
who feels, you know
to blame, blame me
don't blame me
don't blame me, blame me
don't blame me, blame me
don't blame me, blame me
don't blame me
don't blame me
don't blame me, blame me
don't blame me
don't blame me
your head visions
your life's memories
it hurts nothing
it hurts nothing
it hurts nothing
it hurts nothing
let it go
let it go, i can't
let it go
let it go, i can't
let it go, i can't
when you smile, i can't
let it go, i can't
when you smile, i can't
let it go, i can't
let it go, i can't
when you smile, i can't
let it go
shame shame shame shame
shame shame shame shame
shame shame don't come back
shame shame shame shame
shame shame shame shame

shame shame shame shame
shame shame shame shame
