

Away

Nivea

You take it
Don't know where you're goin'
You don't know where you're goin', oh
You take it
You take it
Don't know where you're goin', oh
Don't know where you're
Don't know where you're goin', oh
Don't know
You take it
You take it
Don't know where you're goin', oh
Don't know
Don't
Don't know where you're goin', oh
Don't know
You take it
You take it
Oh
Don't know where you're
Don't know where you're
Don't know
Don't know where you're goin', oh

Gone away with you
Runnin' away with you
I'm gettin' off on the next stop, my stop
I'm takin' off right here
Gone away with you
Gone away with you
I did not tick-tock, click-clock
Really but it's not me to you
Why you runnin' away?
Away?
Why you really holdin' on?
Gone away
Away
Ooooh

You like to see, just take it
You wide open [?]
If only you would embrace me
Far cries, I hear them baitin'
Submissive to temptations
It's easy, talkin' 'bout 'you!'

Don't know what you're doin'
Don't know what you're doin'
Don't know what you're doin' to yourself
Don't know where you're goin'
Don't know what you're doin'
Don't know what you're doin' to yourself
Now you've got that one more chance
To find out what you doin'
To find out what you doin' to yourself
Close the door and...
