Nivea

Conversations with you
[?] situations, comin' through
Are we high?
Are we mad?
Are we up?
Are we down?
Are we in?
Are we out?
Any clouds

And find a way to make it all 'bout you
But I'm all out of patience watching you look out for you
And I don't know which way to move
Unbeatable when it comes to
You love you too much but I
Love me even more
