This plane goin' back to

Baby you keep telling me how it's gon' be (how its gon' be)  
Baby you keep saying how you gone put it on me  
Baby baby baby  
Listen to me  
If it don't feel rite  
And ya look aint main tight  
This is how its gon' be

If the lovin' aint good  
Lets make it understood that I'll  
Be on the next flight goin' back to  
Georgia, Georgia, Georgia (yea yea yea)  
Said if the lovin aint good  
Lets make it understood that I'll  
Be on the next flight goin back to  
Georgia, Georgia, Georgia (oh yea yea yea)

Baby now you can jus put that ring on down (put it down Nigga)  
I aint tryna be wrong but I aint puttin' on  
If you aint puttin' it on  
Baby baby baby  
Listen to me  
Save that talking for ya mama  
Cause it gon' be some drama  
If you don't deliver by three

Hey If the lovin' aint good  
Lets make it understood that I'll  
Be on the next flight goin' back to  
Georgia, Georgia, Georgia  
Say if the lovin aint good  
Lets make it understood that I'll  
Be on the next flight goin back to  
Georgia, Georgia, Georgia

I'll be on my way to Georgia  
On the plane goin to Georgia  
Down in Atlanta  
If you lookin' for me I'll be down in Georgia  
I'll be on my way to Georgia  
On the plane goin to Georgia  
Down in Atlanta  
If you lookin' for me I'll be down in Georgia  
Say if the lovin aint good  
Oh lets make it understood  
I'll be on the next flight goin' back to Georgia
