Love
La, la la love is
Just a suicide, ide
Love
La, la la love is
Just a suicide, ide

Thinkin' 'bout that Tuesday in February
Decision that you didn't want to live with
I was never sure 'bout fairy tales, they always [?]
So excuse me while I trip [?], oh

We fought and we dive
Into love with no eye
And we give it a try
Many smiles, many cries
More or less, in disguise
To our reckless advice
We found love (love)
It's just a suicide

Love
La, la la love is
Just a suicide, ide
Love
La, la la love is
Just a suicide, ide

Even when it's [?]
Blinded by my feelings, I ain't never ready
I don't never want no fairy tale [?]
Now, it's crazy how I trip like this, oh

We fought and we dive
Into love with no eye
And we give it a try
Many smiles, many cries
More or less, in disguise
To our reckless advice
We found love (love)
It's just a suicide

Love (Love is)
La, la la love is (Just a suicide)
Just a suicide, ide
Love
La, la la love is (Ooooooh, love)
Just a suicide, ide
(I'm tellin' you)
Love
La, la la love is (Ohhh)
Just a suicide, ide
Love (La la love)
La, la la love is (Love love love)
(Suicide)
Just a suicide, ide

La la la la
