

Firestarter

Niykee Heaton

(Na, na, na, na)
He want me to beg like a captive
Writhe like a snake, oh I've practiced
Likes when I ride the waves, call me Captain
He don't know, he don't know, he don't know
I'm a femme fatale, laced in all leather
Best around, sweet like love letters
I'm a slick rogue with a knife for distraction
Call it fatal attraction, he don't know

Woohoo, I'm a gun for hire
Woohoo, born straight out the fire
Do you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na
Woohoo, yeah you fell for the flame
Woohoo, so remember my name
When you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na

Dirt road, smoke out the Impala
Cutthroat, touch down in Valhalla
Outlawed, but just 'cause I wanna
You don't know, you don't know, you don't know
It's the Wild Wild Wild West
Got your heartbeat out your chest
And I hijack you, sidetrack so you can forget
It's the sweet kiss of death, leave my lipstick on your neck
Steal your breath

Woohoo, I'm a gun for hire
Woohoo, born straight out the fire
Do you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na
Woohoo, yeah you fell for the flame
Woohoo, so remember my name
When you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na

Ooh, ooh, ooh, ooh
I'm a firestarter
Na, na, na, na
Ooh, ooh, ooh, ooh
I'm a firestarter
Na, na, na, na
One of these nights, I'm coming for you

Woohoo, I'm a gun for hire
Woohoo, born straight out the fire
Do you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na
Woohoo, yeah he fell for the flame
Woohoo, so remember my name

When you feel that heat only getting hotter
Put the blame on me, I'm a firestarter
Na, na, na, na
