La-la-la-la, light is dawning
La-la-la-la, shining on me
The dawn beyond the dream

A warmth like sunlight
I got so used to receiving it
From the safety of your arms, fly out
The moment I made my choice
I had to learn to fall
Sometimes it's rain, sometimes it's sunny days
These wings aren't borrowed anymore

Flying on my own is so hard
But I feel it deep down inside

Almost dawn, dawn it's changing
Light, light a breathtaking view
A world wider than I imagined
Break the dawn, dawn
Living in this moment
I want to hold myself close
Come on

La-la-la-la, light is dawning, la-la-la shining on me
La-la-la-la, it's a brand new day (Dawn, dawn, dawn)
La-la-la-la, light is dawning, la-la-la-la, shining on me
The dawn beyond the dream

Honestly, I was a little scared
Taking all that you gave me

And giving it back to myself, it's so hard
But here I am, flying

Almost dawn, dawn it's changing
Light, light a breathtaking view
A world wider than I imagined
Break the dawn, dawn
Living in this moment
I want to hold myself close
