

# All My Life

Nizlopi

Nizlopi - All My Lfie

Darling I've been waiting for you

All my life

Crossed towns and hills and river for you

All my life

But I'm wondering in the dark now, cause I'm looking for you still

In my heart I'm longing to walk up this hill.

I'm really cant pull out the thorn, love

All my life

And not having you pressed to my chest

All my life

This storm is playing out now on this painful world stage

Of all our incompleteness in the wars we wage.

cause it's written on my hand

printed on your body, printed on your body

you're love makes me a different man

put soul into my body, put soul into me

Im drinking Evian on your lips, Darlin'

Evian from your pants

I wanna drink evian from your lips

Evian from your lips, Darlin'

Drinking Evian on your lips, Darlin'

Evian from your pants

I wanna drink Evian, Evian

Singing songs of love like jolly all my life

And we'll find the truth out, finally

In the heart of our lifes

And your love is my beauty, we need to make it through

so please walk beside me in all I do.

Won't you come here?

Evian on your lips, Darlin'

Evian from your pants

I wanna drink Evian from your lips

Evian from your pants, Darlin'

Evian from your lips, Darlin'

Evian from your pants

I wanna drink Evian, Evian

Cause, it's written on my hand, love

printed on your body, printed on your body, yeah

You're love makes me a different man

Put soul into my body, put soul into me.

Im drinking Evian on your lips, Darlin'

Evian from your pants

I wanna drink evian from your heart

Evian from your lips, Darlin'

Evian from your lips, Darlin'

Evian from your pants

I wanna drink Evian, Evian.
