Sexy, won't you undress for me, yeah
Fill me up until the morning
On that like a broken record
Told me there ain't nothing better
Sexy, won't you undress for me
(Sexy, won't you undress for me)

The moon, is shining (Shining)
The mood, we vibing (Vibing)
You taste like I see (I see, I see, I see)
You're too enticing
Let me bite (Bite)

Sexy, won't you undress for me

On my lips, they always seem to crave for you
Sip like Henny, drip like Honey (Drip, drip)
Got me singing high notes that can wake the neighbors
Talking dirty, hot and steady
I love it when you let me ride it like a jetski
You a pro when you slide in like Greyski
You with your mom every time like you messy
Fuck all of that cute shit, I like you when it's messy (Bye)

Sexy, won't you undress for me

Fill me up until the morning (Ooh)
On that like a broken record (Oh babe)
Told me there ain't nothing better
Sexy, won't you undress for me
(Sexy, won't you undress for me)
