

Caskets

NJOMZA

Every day when I wake up
I thank God I can take a
Another moment to feel the
Sunrise in the morning
I don't have all the answers
But I know there's a reason
All the places that I've been
All the people that I've seen

No reasons to apologize
We're all fucked up in someone's eyes
I smoke until my lungs burn
I'll love until my heart hurts
Don't worry 'bout me, I'll be fine
I've coasted through most of my life
Leave it in the past, yes
Bury all the caskets
Bury all the caskets

All I know could be made up
All my hopes could be too high
Fight the odds with my bare hands
See my dreams eyes open
I don't know where I'm going
But I know there's a reason
All the places that I've been
All the people that I've seen

No reasons to apologize
We're all fucked up in someone's eyes
I smoke until my lungs burn
I'll love until my heart hurts
Don't worry 'bout me, I'll be fine
I've coasted through most of my life
Leave it in the past, yes
Bury all the caskets (caskets yeah-eh)
Bury all the caskets

While they come and go
We come and go
While they come and go
We come and go (go, go, go)

No reasons to apologize
We're all fucked up in someone's eyes
I smoke until my lungs burn
I'll love until my heart hurts
Don't worry 'bout me, I'll be fine
I've coasted through most of my life
Leave it in the past, yes
Bury all the caskets
