

Clown

NJOMZA

Sat back and watched the way you move
Always kept me from the truth
Even when I had the proof
I find it funny

Tried to play me like a fool
Like I can't just cut you loose
And move onto something new
I ain't no dummy

Ain't it crazy, you
Entertain me
Every tear you cry
(Yeah-yeah-yeah-yeah-yeah)
You're not my baby
You can chase me
But you're out of time
(Yeah-yeah-yeah-yeah-yeah)

No, you can't give a clown a chance
'Cause now he thinks that he's the man
Or that he's someone in demand
Dump him and leave him in the trash
Dump him and leave him in the trash

You treated love like it's a game
Made mistake after mistake
Now you're sitting in your shame
I find it funny

You'll do it all over again
But to someone else instead
Just to lose it in the end
'Cause you a dummy

Ain't it crazy, you
Entertain me
Every tear you cry
(Yeah-yeah-yeah-yeah-yeah)
You're not my baby
You can chase me
But you're out of time
(Yeah-yeah-yeah-yeah-yeah)

No, you can't give a clown a chance (No)
'Cause now he thinks that he's the man (He's the man)
Or that he's someone in demand (Or that he's someone in demand)
Dump him and leave him in the trash (Let it go)

Ladies and gentlemen, for my final act
Dump him and leave him in the trash
And give it up for the clown
Dump him and leave him in the trash
