

On and on and on, I try to get it through to you
Let me show you
Been too long, so wrong, you never made it back to me
It's a tragedy

Yeah, I'm nothing like your last girl
Matter of fact, you should forget her
I'm the only one that deserves
Everything you got to offer

If I'm being honest
If I'm being honest
Honestly

People change, tell me what's new
Never thought I would lose you
Not the type that you're used to
When it's hard, know it's the truth
The truth is you

Yeah, I'm nothing like your last girl
Matter of fact, you should forget her
I'm the only one that deserves
Everything you got to offer

If I'm being honest
If I'm being honest
Honestly
