

# Tell Me A Lie

NJOMZA

I can feel you watching me  
I don't mind I hope you like what you see  
Baby if you take your time  
I'll be nice

Deep inside of your head I'm going  
I can make you feel naughty  
Touchin' all on my body  
While we swimmin' in my bed  
I hope you know what you're doin'  
I hope you know what you're doin'

We could jump off this balcony  
See how long that we're fallin'  
Hold me in your arms  
Say everything will get better

Baby just tell me a lie  
Say that you love me  
Forget all your pride  
Just come here and fuck me  
Make me scream

Do you see me when you touch yourself  
Close your eyes and let me help  
Don't tell me what I wanna hear  
Cause I've heard it before  
And I'm looking for more

Deep inside of your head I'm going  
I could ruin that life of yours  
If you're dealing with my heart  
I hope you know what you're doing  
I hope you know what you're doing  
Kiss me like you won't leave me  
Make me into your fantasy  
Tell me that there's nobody else  
Fuck me back into sanity  
I'm crazy

Baby just tell me a lie  
Say that you love me  
Forget all your pride  
Just come here and fuck me  
Make me scream
