

# All In My Head

NKOTBSB

Maybe it's just me  
But I don't think that it is  
Possible for me  
To continue like this

I feel so insecure  
Every time you walk away  
And I'm never really sure  
How long your gunna stay

Baby it's all in my head  
Feel like leaving but I don't really want to  
But I feel so mislead  
A kiss from the phone just won't do  
Because from my point of view  
I gotta say  
Something bout you  
So tell me then  
Cuz somewhere down the road  
You think you lost it all  
Now it's all in my head  
All in my head  
All in my head  
All in my head

You know it's not my style  
To start a fight and make a scene  
But it's different this time  
I am not a drama fiend

Maybe it's just me  
This is how I feel  
But this can simply be  
Another case of jealousy

Baby it's all in my head  
Feel like leaving but I don't really want to  
But I feel so mislead  
A kiss from the phone just won't do

Because from my point of view  
I gotta say  
Something bout you  
So tell me then  
Cuz somewhere down the road  
You think you lost it all  
Now it's all in my head  
All in my head  
All in my head  
All in my head

I mean we can talk it out  
And tell that it's alright  
But alright just wont do anymore  
I mean we can kiss and make up  
And tell that it's enough  
But enough just wont do anymore

Baby it's all in my head  
Feel like leaving but I don't really want to  
But I feel so mislead  
A kiss from the phone just won't do

Baby it's all in my head  
Feel like leaving but I don't really want to  
But I feel so mislead  
A kiss from the phone just won't do  
Because from my point of view  
I gotta say  
Something bout you  
So tell me then  
Cuz somewhere down the road  
You think you lost it all  
Now it's all in my head  
All in my head  
All in my head  
All in my head
