

Draco on the beat with the Draco on me
Yah, yah, yah, yah
Yah, yah, yah, yah
They like ''Where he at? '', he ain't never left
Back in they face like bad breath, no cap
Ayy

They know what it is when I step in this bitch
If a nigga move wrong, get left in this bitch
We ain't goin' for shit, man, I know that I'm rich
But I'll still pop out, all black with a blick, ayy, grab that Drac'
Put the beam on his face when I upped off the waist, he was tryna get away
But the Drac' on a chase, can't outrun a K
I'ma bake him a cake like Anna Mae
Since a young nigga, retarded and shit
Took my momma gun, it got to sparkin' in this bitch
Had a honeybun, hunnid round drums and a hunnid guns like a terrorist
Too easy, where the old Chop' at? They fiendin'
Don't call me Chop', this Beazy
This a new nigga, but the same killer
Still a gang member, but my name bigger
Say Chop' ain't good in the hood, but I'm deep in the streets with a G23
Tell the opps come meet, make 'em use they feet
We run shit down 'til they hit concrete, nigga
Rap cap who? I speak on facts, I ain't never had to cap on wax
Would've been said who I sent up, but nigga, I ain't no rat, uh
Yo' homie a peon, he in a swisher
I know me some niggas that's worse than Hitler
He wavin' white flag, we still gon' kill him, on God, nigga, yeah
This Draco will leave a case closed
Wanna be a killer? We make those
If he a rat, we hate those
If he a snake, get backdoor
Let's go, let's go, let's go, roll him in GG4
But bro be crackin' 4's
But let me switch the flow
Got a beam and a scope, my clip like a rope
When I shoot don't choke, this shit for show
Better pick yo' bro up, sick like throw up, eh
Walk in this bitch and I'm pistol and packin'
He step up to me then his ass goin' backwards
We'll shoot you foreal, we far from a actor
When we on a drill, we score like the Raptors

Let's go, let's go, let's go, roll him in GG4
But bro be crackin' 4's
But let me-
Let me-
Let me-
Let me-
Brr, brr, brr (Let me-)
Let me out that car
Let me out that car, nigga
Let me out that car
Let me out that car, nigga
