Let me start it by sayin' Catalina, she a real dick pleaser
Make it hard for me to leave her, kinda walk like a cheetah
Knock the pussy out the park like my name Derek Jeter
She a bad mamacita, very fine dick eater

I done seen all type of girls, all the girls in the world
Straight hair and the curl, big booty, petite, the in-between type of girls
They ain't fuckin' with you, girl, what's a diamond to a pearl?
Catalina, Catalina, Catalina, Catalina, Catalina
Can you fuck me in the Bimmer? In the Bimmer? In the Bimmer?
You a squirter or a creamer? Or a creamer? Or a creamer?
Put my dick up in between ya, 'tween ya, 'tween ya, mami
I ain't gotta keep it on me, pussy bustin' like a gun, gun
Stick it and stick it and dick it, dick it, don't you run, run
Say that I'm trippin', I keep on fuckin' 'til you cum, cum
Pull out and nut on her titty, look like a hun-bun
From the back, ass fat, you a trap, might attack
You lean, crack, codeine, and all of that
On my lap, you sat, pussy camera contact
With the dick, I was holdin' back, back, back
And I slam like Shaq, your pussy the basket
The girl Catalina pussy the fattest
Cat in the Hat, underneath, what is that?
Never mind, it's NLE dick in her panties (Dale)
