

TALK DIFFERENT

NLE Choppa

Have you ever been to London?
Mmm, mmm, mmm

Ridin' 'round the city with a bad-ass bitch
Always locked in, I got cash to get, hmm
Ayy, I can show you how to rags to riches, nigga, yeah
I ain't ever leave, but I'm back again

Stars, livin' large, goin' hard, hmm-mmm
Stars, livin' large, goin' far

Niggas talk different when the money come
Niggas talk different when the money come
Niggas walk different when the money come

Stars, livin' large, goin' hard, hmm-mmm

Ayy, let me talk my shit, 'cause I talk different
Got hit with the stick, now he walk different
Always on point, gotta walk with it
Pray to God every day that he walk with me
Walk a nigga ass down, make him jump fences
In an instance, I know they'll come kill me
So I slide first, no point intended
Windows tinted in the infinity
Go and get him, see him, kill him, get everybody with him
Hundred in him, make him feel 'em, can't spell no nigga
Now don't pill him, deal with him, nina scratched, no serial
Seen your best hitter killed him, fuck a chest, hit his temple
I'ma go get money, 'til the print stop
Put a bag on his head, call that a big shot
Take a real close look at my wrist watch
Diamonds hit, like Will Smith did Chris Rock
Everywhere I go, gotta keep it G-lock
Make 'em dance, like Coi Leray on TikTok
Tell him get at me, I bet he get got
Nigga better gon' get heated up

Stars, livin' large, goin' hard, hmm-mmm
Stars, livin' large, goin' far

Niggas talk different when the money come
Niggas talk different when the money come
Niggas walk different when the money come
Niggas walk different when the money come
Niggas talk different when the money come
Niggas talk different when the money come
