Like That

NLT

VERSE 1 (Travis):
I was just rollin wit' my friends
saw this little thing
and she turned me on
dont know exactly what she was doin'
dieing to show me

face of an angel
like an ten
she could keep me up till the break of dawn
watching her body and advance
to go put it on me

COURSE:
oh slide to floor
we step in
everybody stares
hot
and its on
girl we gonna rock this room

i just wanna know
tell me hows it feel
girl i wanna go (tell me)
if i put it on you would ya like that?
girl just put it on me cuz i like that.
fast or slow?
hands on the wheel
girl take control (tell me)
if i put it on you would ya like that?
girl just put it on me cuz i like that.
