

Sodapop

NLT

I like drinkin that coke,
I like drinkin that pepsi,
I put on my new coat,
Yeah I'm feelin real sexy,
I drink that soda,
I drink it all night,
I drink that soda,
And then I catch the next flight,
'Cause we gotta do a show,
For venues of people,
They don't even know,
That we can toot and blow,
Soda pop,
Soda pop (What's that?),
Soda soda pop pop,
Soda pop.
