

## Come On

NMIXX

You've been looking out for something special  
That little stick of dynamite  
Someone to take you to that higher level  
And get you out your 9 to 5

Ready for the weekend, put your best threads on and dance  
Yeh babe, I gotta feelin' this could be  
Our wonderland

No, I can't wait, no way, are you ready?

Come on (Come on, come on)  
Let's have a real good time (Come on, come on, come on)  
Come on (Come on, come on)  
You can light my fire (Come on, come on)  
Come on, let's have a real good time (Come on, come on, come on  
)  
Come on (Come on, come on)  
Couldn't get much higher  
Higher, higher

You've been kinda lacking motivation  
Hanging round the lost and found  
Gotta make the most of every situation  
Don't let the bossman get you down

Ready for the weekend, put your best threads on and dance  
Yeh babe, I gotta feelin' this could be  
Our wonderland

No, I can't wait, no way, are you ready?

Come on (Come on, come on)  
Let's have a real good time (Come on, come on, come on)  
Come on (Come on, come on)  
You can light my fire (Come on, come on)  
Come on, let's have a real good time (Come on, come on, come on  
)  
Come on (Come on, come on)  
Couldn't get much higher  
Higher, higher
