Kill the rule, I don't want it (Know about me)

I wanna drop my rhythm on your fear (Ayy)
Fine even get caught, everything you feel (Ayy, ayy)
You've never seen anything like that
Reckless, but just like that, love
Breaking expectations, spilling those cracks
Tugging just right on the string of curiosity (Yeah)
A slight tilt of head, so easily
Bring out a different side of you, oh

Would you dive with me
Dive with me, dive?
Not to miss it, eyes on me (Hey, hey, hey)
Eyes on me, now

Let me show you that, show you that
Mm, mm, know about me (That's that)
Show you that, show you that
Mm, mm, know about me (Yeah)
Won't let you down, down, take my hand
Trust me, stepping forward to the next, next
Let me show you that, show you that
Mm, mm, know about me (Know about me; That's that)
Show you that, show you that
Mm, mm, know about me (Know about me)

Won't let you down, down, take my hand
Your gaze touches me, touches me, my heart races (Ooh, ooh-woah)

So what happened? Blush that lifts you off the ground
Give you my heart and affection I'm a pilot who leads you
We're gonna fly to the sky (Fly), ride the gravity, sway
Ride or die, let me take you there

Would you dive with me
Dive with me, dive? (Dive with me, dive?)
Fine with you rushing me, eyes on me (Eyes, eyes, eyes)
Eyes on me, now (Now, oh, run)
