Can't you see, can't you see? Hey, come here
Chemistry, chemistry, can't you see the reaction?
Chasin' me, chasin' me, we are interested in each other, among others
Alright, closer to me

No matter what you imagine, you should pay attention
Alright, alright

Hard to predict where my excitement will bounce towards
You should try (You should try) catching it

Rabbit and Alice, Alice, Romeo and Juliet, Juliet
Beast and beauty, beauty, alright, this is where you should be
My heart is gonna, bomb up and stop, it's so overwhelming, oh
Nobody knows what will happen, shh

Shooting star roller coaster, ri-ri-ride
We cut through the wind, so incredible
Run, make me feel so high, na-na-na
How do you feel right now? How incredible
Let's ride, hold on
Going down, going up with you
We go to the top and stop

Oh numerous extraordinary things and one star among them
Come here, my dear (Ooh)

Shooting star roller coaster, ri-ri-ride
We cut through the wind, so incredible
Run, make me feel so high, na-na-na
How do you feel right now? How incredible
Let's ride, hold on
Going down, going up with you
We go to the top and stop

It feels like a beginning, it's hard to adapt
Like a black hole, it swallows me
Remember our special moment today
Don't forget

Shooting star roller coaster, ri-ri-ride (Ri-ri-ride)
We cut through the wind, so incredible (So, so, so)
Run, make me feel so high, na-na-na
How do you feel right now? How incredible

I open my eyes sweating all over my body
I am seized by a fantastic moment
I breathe hard with getting goosebump (With getting goosebump)
Bright and clear dream like a comet

Shooting star roller coaster, ri-ri-ride
We cut through the wind, so incredible
