White clouds are my dream car
That blood moon is my hometown
So special, our blood type
Always daydreaming, our life
Pouring down, shooting star
Let's break out of orbit
Towards what we've dreamed
Let's do it, it's time, yuh

Wa-ya-ya-ya, drop it
We don't wanna stop it
Throw anchor above the sky
Woo, woah-oh
Just take one step
Into your dream, wormhole
Wa-ya-ya-ya, so fast
Hold on tight, just like that

I won't, bypass
Goliath in the way, just go straight
No need for a shield
World is an egg, hard rock is my name
Sleeping princess in a fairy tale, not me
With groove of our own, jumping, wuh
A new ending, make it
We're breaker and changer

Wa-ya-ya-ya, drop it
We don't wanna stop it
Throw anchor above the sky
Woo, woah-oh
Just take one step
