

Be Bold

Nneka

When you look inside my life
Tell me wettin you dey see
All d things wen man survive
If I still dey it's meant to be

I try understand how d world dey work
I c say nothin be guarantee
Before you make judgement I beg
Walk inside my shoe and see

Just be bold
Just be bold
Make you no dey fear
Waka any where
Just be bold...
Make you no dey fear
Waka any where

Der go be way wen you no fi see
Window go open where door no be
As you fi think say you fi read me
It ignorance must justify me

No be d colour of my skin, my hair, my cloth
Na me go yan you my story
Before you drop comment I beg
Live inside my skin and feel

Just be bold
Just be bold
Make you no dey fear
Waka any where
Just be bold...
Make you no dey fear
Waka any where
