

Genius

Nneka

Seeking himself wealth
In the world drugs are normal
Think he should stop taking that stuff now
He says, you know who you are

Only wanna be a genius
So that you know who I am
I'm a genius
And I

I ain't loving you at all, you at all
You at all, you at all
I'm a genius
You know who you are

I ain't loving you at all, you at all
You at all, you at all
I'm a genius
You know who you are

Thinking he was saved
Before his withdrawal
Playing his music like he loved nothing else
He says he must be inspired

All he wants to be is like God
He says, you know who I am
I'm a genius
You know who you are

I ain't loving you at all, you at all
You at all, you at all
I'm a genius
You know who you are

I ain't loving you at all, you at all
You at all, you at all
I'm a genius
You know who you are

You are, you are
You are, you are
You are, you are
Fucking genius, fucking genius

You are, you are
You are, you are
You are, you are
Genius, forever genius

I ain't loving you at all, you at all
You at all, you at all
I'm a genius
You know who you are

I ain't loving you at all, you at all
You at all, you at all

I'm a genius
You know who you are

You at all, you at all
I'm a genius
You know who you are

You know who you are
You know who you are
You know who you are
